Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the financial statements

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The boards of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE "C" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 (f) under 'Report on other legal and regulatory requirements' section of our report to the Members of **Maharashtra State Police Housing & Welfare Corporation Limited** of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub - section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Maharashtra State Police Housing & Welfare Corporation Limited** ("the Company") as at March 31, 2021, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

All assets and liabilities have been classified as Current or Non-Current as per criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of activity carried out by the company and the period between the procurement and realization in cash and cash equivalents, the Company has ascertained its operating cycle as 3 to 5 years for the purpose of Current - Non Current classification of assets & liabilities.

(ii) Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statement and a reported amount of revenues and expenses during the reporting period. Consequent to the handing over financial closure of project, the cost of the project under the head Work in Progress is adjusted by the corresponding Grants received from the Government and the balance if any is shown as receivable/ payable from/ to the Government.

iv) Projects contributed out of Centage Funds:

Centage Funds are utilized for repair/ renovation/ construction of specified projects for the use of the State Police employees welfare after due approvals from the Board of Directors. The amounts paid towards such projects are classified under Project Work in Progress during the period the work is being carried and appropriated from the Surplus in Statement of Profit & Loss upon completion.

(f) Retirement and other employee benefits :-

Short term employee benefits are accounted in the period during which the services have been rendered.

The Corporation's contribution to the Provident Fund is remitted to the Regional Provident Fund Commissioner based on fixed percentage of the eligible employees' salary and charged to Statement of Profit & Loss.

The Corporation's liability towards Gratuity, being defined benefit plan and other long term obligations are accounted for based on Actuarial valuation done at the year-end using the Projected Unit Credit Method. Actuarial gains and losses are charged to Statement of Profit & Loss.

(g) Taxation:

Income tax expense comprises current tax expense and deferred tax expense/credit.

Current Tax

Provision for current tax is calculated in accordance with the provisions of the Income-Tax Act, 1961 and is made annually based on the tax liability computed after considering benefits admissible under the provisions of the Income Tax Act, 1961.

Deferred Tax

Deferred tax assets/ liabilities resulting from "timing differences" between book and taxable profit is accounted for using the tax rates and laws that have been enacted or substantively enacted. Deferred tax assets are recognized and carried forward only to the extent that there is a reasonable certainty that the assets will be realized in future.

However, in respect of unabsorbed depreciation or carry forward loss, the deferred tax asset is recognized and carried forward only to the extent that there is a virtual certainty that the assets will be realized in future. Deferred tax assets are reviewed as at each balance sheet date and written down or written-up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realized.

Minimum Alternative Tax

Minimum Alternative Tax credit is recognised as an asset only when and to the extent there is convincing evidence that the Corporation will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Corporation will pay normal income tax during the specified period.

(h) Earnings per Share (EPS) :

Basic EPS is computed by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year/period. Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year except where the results would be anti dilutive.

(i) Provisions, Contingent Liabilities and Contingent Assets:

A provision is recognized, if as a result of past event, the Corporation has a present legal obligation that can be measured reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as contingent liability.

A disclosure for a Contingent Liability is made when there is possible obligation or a present obligation that may, but probably will not, required outflow of resources. Where there is a possible obligation or present obligation where likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent Assets are neither recognized nor disclosed in the financial statements.

- i. Government lands at Worli admeasuring 1,60,853 Sq. Yards valued at Rs. 6,03,19,875/- was transferred (14-03-1974) to the Corporation as a part of share capital contribution. Out of this, 16,797 Sq. yards costing Rs. 62,98,875/- was taken back (08-06-1988) by the Government of Maharashtra for allotment to other parties against alternate land at Ambivali (Andheri) and differential land price of Rs. 4,22,00,000/- as intimated by the Government on 11-05-2005. Both the land and the difference amount in cash are yet to be received from the Government as at the Balance Sheet date. Pending the receipt of the same, the part of 78,274 equity shares are stated as issued for consideration other than cash, Refer Note No. 2.
 - ii. Government lands at Wanawadi, Pune admeasuring 1,66,721 Sq. Yards valued at Rs. 6,27,000/- was transferred as per G.R.no. LND-SRPF0179/2/POL-7 Dated 15.07.1981 to the Corporation as a part of share capital contribution. The above land was not transferred in name of Corporation by the Collector, Pune and the land is not in the possession of the Corporation. Out of the total area 83,241 Sq. yards was re-granted by the Minister of Revenue and Forest Department to the power of attorney holder of original owners on 03.06.2002. The matter has been taken up with the concerned department.
- B. The Corporation receives lump sum Grants from Government of Maharashtra, through D.G.P. Maharashtra. The flow of funds from the government was not in consonance with the project needs. Grants received for other projects are temporarily utilized for ongoing projects to avoid time and cost escalation. The Board of Directors vide Resolution No. 1226 passed in the 216th meeting held on 23/04/2015 has authorized the Managing Director to re-appropriate the idle and unutilized funds to the other projects as and when necessary, after approval of the 'Re-appropriation Committee" formed for the purpose. From and onwards FY 2016-17, Re-appropriation Committee meeting was not held by the board of directors. Funds spent on various projects during the year were post facto approved by the Jt. MD and MD based on the expenses of RA Bills.
- C. It has been noticed that out of total 174 projects in hand, there are 54 projects which are ongoing, 64 projects which are in planning process, 56 projects which are completed and handed over to the user department (Based on Taba Pavti received.). As per accounting policies, the WIP balance of completed projects should be adjusted with corresponding Grants on receipt of Taba Pavti. It has been noticed that amount of WIP for the completed 56 projects is approximately Rs.1459.16 crores (Approximately) which has been not been adjusted with the grants either due to pending Final RA bills or re-appropriation of Grants, which has resulted in overstatement of WIP and Grants by Rs.1459.16 Crores (Approximately). It would be an internal adjustment entry only which will not have any financial impact in the statement of profit and loss.
- D. Estimated Amounts of Commitments other than Capital remaining to be executed (to the extent and information available with the Corporation): `2349.73 Crores (P.Y. Rs. 2489.99 Crores).

COMMENTS OF THE COMPTROLLER & AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE ACCOUNTS OF MAHARASHTRA STATE POLICE HOUSING AND WELFARE CORPORATION LIMITED FOR THE YEAR ENDED 31 MARCH 2021.

The preparation of financial statements of **MAHARASHTRA STATE POLICE HOUSING AND WELFARE CORPORATION LIMITED** for the year ended **31 March 2021** in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditor/auditors appointed by the Comptroller and Auditor General of India under section 139(5) of the Act is/are responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 24 September 2021.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under section 143(6) of the Act of the financial statements of **MAHARASHTRA STATE POLICE HOUSING AND WELFARE CORPORATION LIMITED** for the year ended **31 March 2021**. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.

Based on my supplement audit, I would like to highlight the following significant matters under section 143(6)(b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report.

A. Balance Sheet

Assets

Current Assets

Other Current Assets

Project work in Progress (Note No 15): - Rs. 2495.45 crore

A reference is invited to item No. 21 C to the Notes to accounts wherein it has been mentioned that project expenditure of Rs.1459.16 crore on 56 completed and handed over projects was not adjusted against the Government Grants resulting in overstatement of both Grants (Note No.5) and Project work in progress (Note No.15).

Other long term liabilities

The Company should have reconciled and updated the project work in progress account. Absence to reconcile the project account and adjust the project expenditure to deposit received from the user department has resulted in overstatement of Project work in progress by Rs. 1459.16 crore with consequent overstatement of Other Long term Liabilities.

B. Cash Flow Statement

Cash from Investing Activities

3. Redemption/(purchase) of Fixed deposits: Rs.666.19 crore

Cash inflows and outflows related to the investments of own funds in long term investments (such as shares, debentures, bonds and other deposits that fetch revenue to the Company) are to be shown in the investment activities in the Cash Flow Statement. Dividend and interest received on such long-term investments are also shown under investment activities. However, the Company showed net fixed deposits made from the funds received from the user departments under investment activities. As these deposits are not made from Company's own funds and the interest accrued is going to the funds of the user department, exhibition of net fixed deposits under investment activities in the Cash Flow Statement is not correct.

This has resulted in understatement of minus balance of net cash from operating activities to the extent of Rs.666.19 crore with corresponding overstatement of minus balance of net cash from investment activities to the same extent.

C. General

6.1 Signing of the Financial Statements for the year 2020-21

Director Identification Numbers (DIN) of the directors signing the financial statements of the company were not mentioned below the signature of the Directors as required by section 158 of the Companies Act, 2013. Further, the name of the Directors, Chief Finance Officer and the name and membership number of the Company Secretary were also not mentioned below the authentication of the financial statements.
