Hetawane Water Supply Scheme

At present Navi Mumbai is being supplied water from the sources developed by NMMC, MIDC and MJP. In order to have its own assured water supply, 100 MLD water reservation was made in Hetawane Dam owned by irrigation department of GOM. Transmission system including water treatment was conceived in the year 1990, tendered in mid 1992, completed in the 2001 and commissioned from September 2002. The project is designed to supply 150 MLD water to Navi Mumbai, however presently only 120 MLD water is supplied, as per the reservation.

KIDC allotted 100 MLD water to CIDCO on permanent basis in the year 2004. Also additional 50 MLD of water has been sanctioned on permanent basis to CIDCO from 1st April 2015 and agreement to that effect has also been executed between CIDCO & KIDC on 23rd March 2015. Board vide Resolution no. 11232 dated 02.12.2014 has accorded approval for payment of Rs. 148.81 crores to KIDC towards capital contribution for reservation of additional 50 MLD water on permanent basis.

The project consist of drawing raw water from Hetawane Dam, giving necessary treatment at Jite which is 18.8 KM away from Hetawane Dam and conveying the pure water to Dronagiri, Ulwe & Kharghar Node of Navi Mumbai alongwith 69 Nos. of enroute villages. The Total length of conveyance system is 52 KM.

The water demand of Kharghar, Panvel, Kalamboli, Kamothe, Dronagiri & Ulwe will increase to 500 MLD in year 2021. We are fulfilling the need of water by borrowing pure water from MJP and NMMC for Panvel, Kalamboli & Kamothe. In order to fulfill future demand of 700 MLD in year 2025, CIDCO has taken up the Balganga Dam Project of 350 MLD Capacity.

Balganga Dam project:

The Balganga Dam was transferred to CIDCO in the year 1990 by Govt. of Maharashtra. The Irrigation Deptt., Govt. of Maharashtra, prepared the project report on Balganga Dam in October 1990 for 350 MLD of water supply at the ultimate state of the project. The project cost in the year 1990 was Rs.67.62 crores and CIDCO Board vide Resolution No.5827 dt. 11.12.92 had sanctioned the project cost amounting to Rs.51.57 crores without centages and Rs.67.62 crores with centages.

Meanwhile, due to formation of SEZ, the Balganga Dam Project was handed over to NMSEZ Co. in January 2006 by State Govt. However, NMSEZ was unwilling to take this project due to the opposition of locals for land acquisition for SEZ area and subsequently Govt. had cancelled the SEZ in Raigad Dist. in 2009. For the future requirement of Navi Mumbai area, the Balganga Dam project was once again transferred to CIDCO by Govt. of Maharashtra. During the meeting held under the Chairmanship of Minister, Water Resources Deptt. and Water Supply & Sanitation Deptt.(WRD & WS) on 28.01.2009, it was decided that construction of Balganga Dam will be carried out by KIDC on full deposit work for CIDCO. Accordingly as per the KIDC's estimate, Board of Directors of CIDCO had approved taking up the construction of Dam at a project cost of Rs.488.34 crores vide B.R. No.10070 dt. 20.02.2009. As decided in the meeting under Chairmanship of Minister of WRD & WS, the KIDC will construct the Balganga Dam on full deposit basis and do all the Rehabilitation and Resettlement as well as land acquisition activities.

After tendering of work by KIDC, the contract of the work for construction of dam was awarded to construction agency M/s F.A. Enterprises by KIDC on 12.5.2009 for Rs.495.45 crores. Accordingly, CIDCO Board approved this contract cost vide B.R. No.10197 dt. 25.8.2009 for Rs.495.45 crores. The agreement was executed between CIDCO and KIDC for taking up Construction of dam on 23/09/2009 and the construction of dam actually started by KIDC on 03.04.2010.

After actual commencement of work, since the construction cost of Dam increased from time to time by KIDC from Rs. 495.45 crores to Rs. 593.73 Crores in February 2011 & subsequently to Rs. 1220.19 Crores in June 2011 i.e., within a span of One year. Thus, the total cost of the project was revised as anticipated by KIDC to Rs.924.06 crores in April 2010 then to Rs.1183.35 crores in February 2011 and then Rs.1970.56 crores in June 2011. The increase in cost was mainly due to increase in hard rock quantities and abnormal increase in a quantity of concrete. KIDC proposed these items to be paid as an extra items & executed the work without seeking the consent of CIDCO and this was mandatory as per agreement between CIDCO & KIDC.

To assess the reasons of increase in cost, rates & to finalise the the probable completion cost of construction of dam, CIDCO appointed 3 Nos. of Committees earlier. All the 3 Committee's deliberated & studied the issue from May 2011 to December 2013. The report of all the Committees were discussed in the various Board Meetings. There was large difference in probable completion cost concluded by earlier 3 Committees. None of the report was found conclusive in terms of recommendation of payments & probable construction cost of Project. No concrete consensus & decision could materialize from the 3 Committees constituted. Hence, CIDCO Board appointed 4th Committee under the Justice Shri B. G. Gaikwad with Two Technical Experts from WRD Departments in December 2013. The 4th Committee observed the breach of agreement executed between CIDCO & KIDC.

Due to non finalization of the increased cost of construction of dam, CIDCO could not provide funds beyond approved cost of construction of dam to KIDC. The work was stand still from May 2012. In the meantime the construction agency filed a Writ Petition in the Hon'ble High Court in December 2013 for non receipt of payments against work done.

Thereafter, the matter was heard in the Bombay High Court during December 2013 to July 2015. Based upon the concurrence given by Chief Secretary, Government of Maharashtra and as agreed by all parties, the Hon'ble High Court disposed off the writ petition of Const. Agency of KIDC on 17.07.2015 by constituting the Arbitral Tribunal constituting of 5 members with One Presiding Arbitrator as a Retired Justice of High Court and Other 4 arbitrator members to be appointed by State Govt., Petitioner- Construction agency, CIDCO & KIDC respectively. Accordingly, the Arbitral Tribunal proceedings are started.

In the beginning of the arbitration, the objection was raised by the claimant construction agency of KIDC M/s F.A. Enterprises under Arbitration and Conciliation Act on the State appointed arbitrator. Subsequent to the decision given by the Arbitral Tribunal, the State Govt. has replaced the state nominated arbitrator from the 4th Arbitral Tribunal Meeting. So for now, 5 nos of Arbitration meetings are conducted as on date and arbitration proceedings are in process.

The Project requires 1579.78 Ha. Land in Taluka Pen, Dist. Raigad. About 1058.79 Ha. is under submergence, 159.78 Ha. is required for rehabilitation (R&R) of 2977 families (approx. 7700 souls) & 361 Ha. Of land is under forest. All the private land has been acquired by District Collector Raigad in the Oct'2015 and acquisition of Forest Land is under progress by KIDC.

Special Economic Zone

a) BACKGROUND

Govt. of India introduced the concept of Special Economic Zones (SEZs) in the year 2000 through a revision in the Export-Import Policy 1997-2002. CIDCO accordingly mooted a proposal to set up a SEZ in Navi Mumbai over an area of 4377 Ha. Spread over three nodes of Navi Mumbai viz. Dronagiri, Ulwe, Kalamboli and RPZ. The Ministry of Commerce and Industries, Govt. of India accorded in-principle approval for setting up of Special Economic Zone at Navi Mumbai (05.05.2000) and further accorded formal approval to the NMSEZ project on 15th February 2002. The Govt. of Maharashtra appointed CIDCO as Nodal Agency for development of SEZ in Navi Mumbai (15.09.2000) and directed CIDCO to take up NMSEZ Project under Public- Private participation with provision of majority stake with private partner. (11.09.2002).

b) SELECTION OF STRATEGIC INVESTOR

Accordingly, for selection of strategic investor CIDCO had invited Global Tenders and selected M/s SKIL Led Consortium, to proceed with project. M/s SKIL led Consortium formed company viz. M/s Dronagiri Infrastructure Pvt. Ltd. (M/s DIPL). A Special Purpose Company named M/s Navi Mumbai SEZ Pvt. Ltd. (M/s NMSEZPL) for implementation of Navi Mumbai SEZ Project was incorporated by DIPC and CIDCO holding 74% and 26% stake respectively.

CIDCO has executed Shareholder Agreement (21.08.2004) with M/s DIPL and the Company and Development Agreement (29.08.2004) with the Company.

c) PROJECT LAND

Navi Mumbai SEZ Project is being developed over an area of 2140 Ha. As provided in the RFP & the Agreements. The project land is spread over 3 nodes of Navi Mumbai.

d) LAND DELIVERY

CIDCO after observing successful achievement of 'Conditions Precedent' by the Company, has handed over 1842 Ha of project land at Dronagiri, Kalamboli and Ulwe. The GoM declared the Company as Special Planning Authority for NMSEZ project land, delivered by CIDCO.

e) DEVELOPMENTAL AND MARKETING MILESTONES AND EXTENSION

The Developmental Agreement envisaged handing over of the land in various phases. However, owing to the contiguity condition expressed in the SEZ Act/Rules additional land was released to the Company to form Multiproduct SEZ at Dronagiri.

As per the agreements, stipulations and GR dated 04.12.2006; the Company was to achieve first Developmental Milestone of developing 450 Ha on or before 26.09.2010.

However, the company for various reasons viz.

1. Non enactment of State SEZ Act;
2. Global Slow down (Recession)
3. Difficulty in attracting investors/unit holders due to non availability of fiscal benefit

sought revision in milestones by linking the same to date of enactment of Maharashtra State SEZ Act. After careful consideration as recommended by HPC/ Cabinet the Govt. has granted extension of 2 years for achieving Developmental and Marketing milestones subject to certain conditions.

The development of the NMSEZ project, however, could not be completed by the Company by the Extended Milestone dates and hence the Company requested grant of extension in Milestones for the 2nd time by letter dated 11th August 2012.

f) COMPANY'S REQUEST FOR II EXTENSION

The Company, in its letter, put forth following reasons for not achieving the Extended Milestones:

- Non Enactment of Maharashtra SEZ Act
- Special Economic Zones – Mired in regulatory and economic flux
- Non-updating of land records of land leased to the Company
- Changes in SEZ Taxation Regime
- Delay in development of major infrastructural projects in the region
- NMSEZ node wise constraints at Dronagiri, Kalamboli and Ulwe

The company further proposed two options for consideration of the HPC/Govt.

1. Readjusting Milestones linking the "Effective date" to
 - a. Enactment of Maharashtra SEZ Act
 - b. Updation of land records
 - c. Resolution of site level issues by CIDCO/ State Govt.
2. Opening up of land for Domestic market.

g) EXIT ROUTE

Consequent upon the declaration of Maharashtra Industrial Policy in February 2013, the Company approached CIDCO and expressed their desire to take benefit of the new policy, which provides Exit Route for non-operating SEZs in Maharashtra and get the SEZ denotified and convert it into 'Integrated Industrial Area (IIA)' as per the Policy provision. GoM was requested for necessary directives in the matter. Decision of the GoM is awaited.

NAVI MUMBAI INTERNATIONAL AIRPORT (NMIA) PROJECT

1.0 BACKGROUND:

Mumbai being the financial and commercial Capital of India, requires aviation facilities of the highest order. Presently Mumbai airport is handling about 30 MPPA (Million Passengers Per Annum) and is experiencing severe constraints in augmenting the air, land and city side facilities to meet the future growth. Air Travel Demand for MMR is growing rapidly and the forecasted air traffic is expected to be around 100 MPPA by 2030. To meet this anticipated air travel demand, the Ministry of Civil Aviation (MoCA) granted 'in principle' approval for the development of a Greenfield airport at Navi Mumbai. The Navi Mumbai Airport is proposed to be developed through Public-Private Participation (PPP) by setting-up a Special Purpose Company (SPC) with equity contribution from CIDCO.

2.0 APPROVALS:

Major project approvals/clearances, namely from Ministry of Civil Aviation, Environment & CRZ clearance from MoEF, Defence clearance from MoD, are in place. The Stage 1 Forest Clearance and Wildlife Clearance have been obtained. Recently Hon'ble Mumbai High Court has permitted the clearance of mangroves in the Airport area.

3.0 PROJECT DETAILS:

3.1 Location:

The proposed Airport is situated off National Highway No. 4B near Panvel in the geographical centre of Navi Mumbai and at a distance of approx. 35 km from the existing airport in Mumbai. The 4-lane National Highway 4B abutting the boundary of the proposed Airport is the main access to the Airport from the east, whereas the 4-lane concrete road called Aamra Marg runs along the western boundary of the Airport.

3.2 Salient Features:

The Navi Mumbai International Airport is located in core area of 1160 Ha. and is proposed to have two parallel and independent runways for simultaneous and independent operations along with full length taxiway on either side of runways. The airfield is designed to accommodate the new large aircraft like A380/B747-8 and complies with ICAO Aerodrome Code 4F. The proposed airport is expected to cater to 10 MPPA in first operations year 2017, which will increase to 25 MPPA by 2020, 45 MPPA by 2025 and ultimately 60 MPPA by 2030.

3.3 Project Cost:

The basic cost of airport project is estimated to be around Rs. 14,574 Crores spread over four phases. The phase one base cost is about Rs. 6.147 Crores which includes a pre-development works towards land reclamation / filling & shifting of Extra High Voltage Transmission lines. Financial viability indicates an Equity IRR of about 14% with Single Till (As per AERA) and Equity of IRR – about 20% with Hybrid Till.

3.4 Project Benefits:

The Navi Mumbai Airport would act as a powerful engine for the overall growth of our Country, Maharashtra and particularly in Mumbai, Nashik, Pune & Ahmednagar belt. Availability of excellent aviation facilities would bring large volumes of business and investment to MMR.

4.0 STATUS OF PROJECT ACTIVITIES:

The Project involves various activities, which include land development by cutting of hills in the project area and filling, re-coursing of Ulwe river and shifting of Extra High Voltage Transmission (EHVT) lines both of which run through the project area, development of the airport in phases and its operation, development of the airport business support areas and the development of off-site physical infrastructure in terms of roads, interchanges, utilities etc.

4.1 Land Requirement:

Total project area is 2268 Ha. Comprising of the Core airport area, R & R sites, Mangrove Park, Supporting and ancillary activities for the airport. Out of this, 671 Ha. Private land to be acquired and 25 Ha. Govt. land to be transferred. The core airport area to be awarded to the Concessionaire is 1160 Ha, of which presently, 853 Ha (74%) is in possession, 15 Ha (1%) land belonging to other Govt. Departments is being transferred to CIDCO and 292 Ha. (25%) of private land is in process of acquisition. Notifications under Land Acquisition Act have been issued. It is proposed to acquire land by Consent Award. The proposed model for acquisition of private land is to allot developed plot of land in lieu of monetary compensation in a modern township "Pushpak Nagar" being developed near the airport.

A High level meeting between Hon'ble Chief Minister, GoM and Representatives of the Airport Project Affected Persons was held on 11th Nov 2013 and Land acquisition model as well as R & R policy entitlements prepared by CIDCO have been discussed in detail and PAPs have agreed for the same. Further steps to carrying out joint measurements and surveys for various entitlements will be commenced immediately.

4.2 Resettlement & Rehabilitation (R&R):

A preliminary estimate indicates that approximately 3500 households will have to be re-located due to airport project. CIDCO has prepared the Draft R&R Policy in line with Central and State Govt. policies and has been discussed with PAPs. Initial work on development of two R & R sites in the vicinity of airport has commenced.

4.3 Shifting of EHVT Lines:

EHVT lines belonging to M/s. Tata Power and M/s. MSETCL are passing through airport area and require shifting. MSETCL has carried out feasibility survey of optimized alignment. The DGCA recently approved the shifting of EHVT lines by overhead method away from airport area. MSETCL is submitting detailed project report along with land use details and implementation plan will be worked out in consultation with both the power companies.

4.4 Hon'ble Mumbai High Court Clearance (Mangroves):

Additional Affidavit filed at Hon`ble High Court - Hearing held on 29th Oct 2013 and permission granted to CIDCO for removal of mangroves from the airport project area.

4.5 Compliance of Environment & CRZ clearance - MoEF:

Navi Mumbai Airport Project was discussed at full length by EAC, MoEF and granted the Environment and CRZ clearance (EC) in November, 2010. The EC stipulated various specific conditions for compliance during construction and operation of Airport. Accordingly, CIDCO is complying with the various conditions of EC at appropriate stages of project.

EXPLANATION TO THE COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE ACCOUNTS OF CORPORATION FOR THE YEAR ENDED 31ST MARCH 2015
I. COMMENTS ON FINANCIAL POSITION**Balance Sheet****I Equity and Liability****Other Long-term Liability**

Navi Mumbai Project Account (Note 5(1)) **Rs. 4424.11 crore**

Expenditure During the year:

(14) Balganga Dam **Rs.486.00 crore**

1. As per the prevailing practice of the Company, the advances paid towards construction/ land acquisition for Balganga dam are booked to 'Construction of Balganga Dam Project' Account only after receipt of Utilisation certificate. The Company paid (3 March 2015) Rs.461.02 crore as advance to Konkan Irrigation Development Corporation towards land acquisition for Balaganga Dam project. The same was directly booked to 'Construction of Balganga Dam Project' Account eventhough Utilisation Certificate was not received till finalization of accounts.

In the absence of Utilisation Certificate, it should have been booked under 'Other Advances'-Long Term loans and Advances.

This has resulted in understatement of Other Long term liabilities and Long Term Loans and Advances by Rs. 461.02 crore.

Explanation : Noted

Navi Mumbai Project Overhead –Note 5(1) (A)

Payment to and Provision for Employees – Rs. 127.91 crore

Administrative and Other Expenses – Rs. 77.16 crore

2. The above includes expenses relating to VC&MD's remuneration, travelling expenses of Directors, Directors fees conveyance expenses of Chairman, entertainment expenses of Directors Salary and perks of Company Secretary amounting to Rs. 54.16 lakh and Statutory Auditors fees and expenses of Rs. 11.47 lakh, as charged to the Navi Mumbai Project Account. Since these expenses are administrative in nature and some of them also of a statutory nature for the Company as a whole, these should have been charged to the Statement of P&L. Such a treatment was also required in terms of Govt. of Maharashtra Resolution No. CID 2084/1320/CR-161/84 UD-4 dated 02 August 1985 whereby the Company has been directed to charge administrative expenses to the Agency Remuneration received from the Govt. The Company has taken the agency remuneration to the Statement of P&L; however the corresponding expenses have not been debited there.

This has resulted in understatement of expenses for the year and corresponding understatement of liabilities by Rs. 65.63 lakh.

This matter was brought to the notice of management through Management Letter after supplementary audit for the year 2013-14. However, no action has been taken by the Company.

Explanation : Noted

Explanation : Noted

Navi Mumbai Project Account Note 5(1) Rs.4424.11 crore

Receipt during the year:

(13) Supervision Charges Rs.1.93 crore.

4. The Company besides being an agent for the Government of Maharashtra (GOM) for development of Navi Mumbai township and other entrusted works in the State also undertakes works on deposit basis for Central/State Government Department/PSUs/Autonomous bodies, and acts as Project Management Consultant. The Company charges/recovers supervision charges on percentage basis on the cost of the project. During the year 2014-15 the Company received Supervision charges on deposit work amounting to Rs. 1.92 crore and the supervision charges received upto March 2014 for same were Rs. 6.90 crore. The Company accounted for these supervision charges in the Navi Mumbai Project A/c. Since the supervision charges received is the income of the Company and has no connection with the Navi Mumbai Project, the supervision charges should have been accounted as Income of the Company in the Statement of Profit & Loss.

This has resulted in understatement of Income for the year by Rs. 1.93 Crore and Overstatement of Liabilities (Balance in Navi Mumbai Project A/c as payable to GOM) to the extent of Rs. 8.82 crore.

This matter was brought to the notice of management through Management Letter after supplementary audit for the year 2013-14. However, no action has been taken by the Company.

Therefore non provision has resulted in understatement of Other Long term Liabilities and Other Current Liabilities by Rs. 1.75 crore.

Explanation : Noted

(b) Other current liabilities (Note 7) Rs.457.15 crore

- 6.(a) The Board of the Company approved (09.03.2015) increase in consultancy fees amounting to Rs.6.48 crore to M/s. Louis Berger Group Inc., Prime Consultant of Navi Mumbai International Airport. Accordingly, Rs.4.54 crore was paid (July '15) to the consultants. In view of the above, the Company should have provided for the liability on account of consultancy fees to prime consultants amounting to Rs.6.48 crore.

Explanation : Noted

During the course of acquisition of land from 1976 to 1981 Special Land Acquisition officer, Nashik awarded land compensation at the rate of Rs. 4 to 10 per Sq.Mtr. and the same has been reimbursed by the Corporation in those years. Being aggrieved by the award of inadequate land compensation the landowner filed references in District Court at Nashik. The Hon'ble District Court, vide its judgment in the year 1994, enhanced the compensation arising Rs. 24 to Rs. 36 per Sq.mtr. The District Court also awarded interest @ 12% and Solatium @ 30% as per amended provisions of the Land Acquisition Act, 1894.</p> <p>The Government of Maharashtra preferred an appeal against the judgment of the District Court before High Court. High Court directed to deposit solatium @ 15% in lieu of 30% and stayed the payment of interest @ 12% under section 23-1(A) of the Land Acquisition Act, 1894. Accordingly, Corporation made the payment of Rs. 18.88 Crore in the High Court towards solatium deposit.</p> <p>Thereafter, the Corporation filed special leave petitions in two cases in the Supreme Court of India. These two petitions were dismissed by the Hon'ble Supreme Court on 04/03/2003.</p> <p>In view of the judgment and the order of the Hon'ble Supreme Court, the Corporation will be required to pay enhanced land compensation in case of Nashik & amount along with interest as currently estimated by the Administrator comes to Rs. 12 Crores. 22. The Corporation's income was exempt from payment of Income Tax pursuant to the provisions of Section 10(20A) of the Income Tax Act, 1961. This Section has been withdrawn by the Finance Act, 2002, thereby subjecting the income of the Corporation to be taxed under the provisions of the Income Tax Act.

The ITAT, Mumbai Bench 'C' vide order in ITA No. 2985/M/2012 dated 08/08/2012 for the Assessment Year 2006-07 and The ITAT, Mumbai vide order in ITA No. 4378,4379 & 4383/Mum/2013 dated 18/12/2014 for the Assessment Year 2003-04, 2004-05 & 2005-06 have held that the Corporation being an agent of the Government of Maharashtra under the provision of section 113 (3A) and section 40 (1) (b) read with section 113 (3A) of the Maharashtra Regional and Town Planning Act 1966 is liable to Income Tax only in respect of Agency Remuneration received from the Government of Maharashtra after deduction of expenses incurred for the purpose of earning such income.

The ITAT further held that:

1. There is no business activity of Corporation on its own.
2. All expenses incurred by the Corporation whether capital or revenue, are on behalf of the Government of Maharashtra.

Honorable Bombay High Court in writ petition No. 1211 of 2009 in the case of Percival Joseph Pareira v/s The Special Land Acquisition Officer and others held that Corporation is an agent of the Government of the Maharashtra.

In view of this, no provision has been made towards Income Tax for the year, on the surplus in New Towns; similarly no provision has been made on the surplus of Navi Mumbai Project as the Corporation is acting as an Agent of the Government of Maharashtra. The entire receipts have been credited to the Project Account as recovery of cost and are not treated as revenue in the Books of Accounts of the Corporation.

23. **Regarding Change in Method of Accounting:**

- a) a) City & Industrial Development Corporation of Maharashtra Limited (CIDCO) was incorporated on 17th March 1970. The Government of Maharashtra vide Government Resolution (GR) No.IDL 5770/IND-I dated 18th March, 1970 entrusted CIDCO to act as an agent of Government of Maharashtra for development of Trans –Thana and Trans-Harbour areas in Uran, Panvel and Thane Tehsil with a view to secure the objective of decongesting industries and other concentrations in Bombay and with a view generally to resolve the problems of urban congestion in Bombay City.
- b) The Government of Maharashtra vide Government Resolution (GR) No. CID -2072-U dated 24th January, 1972 issued financing instructions for operation of CIDCO. As per the instructions in the GR, CIDCO should undertake all the development work, provide social and physical infrastructure to attain the objectives laid down in (GR) No.IDL 5770/IND-I dated 18th March, 1970 on behalf of the Government. CIDCO was given power to dispose of the land acquired by the Government and to incur expenditures on development work out of sale proceeds of land. The proceeds which are to be recovered from sale of land acquired by the Government are payable to the Government after adjusting development expenditures, administrative expenditures and agency remuneration restricted to Rs. 5,00,000/- per year.
- c) CIDCO was appointed as Special Town Planning Authority/Development Authority for the new towns of New Aurangabad, New Nasik, New Nanded etc by the Government of Maharashtra in exercise of powers conferred by clause (b) of sub-section (1) of section 40 of the Maharashtra Regional and Town Planning Act, 1966. As per provisions of section 113 (3A) of the Maharashtra Regional and Town Planning Act, 1966, the Special Town Planning Authority has to work as an agent of the State Government.

- d) The C&AG appointed Statutory Auditors have observed that there is no difference in the status of CIDCO being the 'Agent of Government of Maharashtra' either in Navi Mumbai or New Towns of Aurangabad, Nashik, Nanded, Vasai-Virar and other New Towns Projects. The C&AG appointed Statutory Auditors have observed that where CIDCO is a New Town Development Authority for Navi Mumbai or Special Town Planning Authority for New Towns of Aurangabad, Nashik, Nanded etc. makes no difference in the status of CIDCO as the agent of Government of Maharashtra and CIDCO is the agent of Government of Maharashtra for Navi Mumbai and all other New Towns and accordingly, the surplus / deficit in the Project Account, belongs to Government of Maharashtra.
24. Previous year figures are regrouped and rearranged whenever considered necessary.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6) (b) OF THE COMPANIES ACT, 2013, ON THE ACCOUNTS OF CITY AND INDUSTRIAL DEVELOPMENT CORPORATION OF MAHARASHTRA LIMITED, MUMBAI FOR THE YEAR ENDED 31ST MARCH 2015.

The preparation of financial statements of '**City & Industrial Development Corporation of Maharashtra Limited**', Mumbai for the year ended **31st March 2015** in accordance with the financial reporting framework prescribed under the Companies Act, 2013 is the responsibility of the management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of the Companies Act, 2013 are responsible for expressing opinion on these financial statements under Section 143 of the Companies Act, 2013 based on independent audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated **16 June 2016**.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary Audit under Section 143(6)(a) of the Act, of the Financial Statements of '**City and Industrial Development Corporation of Maharashtra Limited**', Mumbai for the year ended **31st March 2015**. This Supplementary Audit has been carried out independently without access to working papers of Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel and a selective examination of some of the accounting records. Based on my supplementary audit, I would like to highlight the following significant matters under Section 143(6)(b) which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related Audit Report:

I. COMMENTS ON FINANCIAL POSTION

Balance Sheet

I Equity and Liability

Other Long-term Liability

Navi Mumbai Project Account Note 5(1) ₹ 4424.11 crore

Expenditure During the year: (14) Balaganga Dam ₹ 486.00 crore

- 1 As per the prevailing practice of the Company, advances paid towards construction/ land acquisition for Balganga dam are booked to 'Construction of Balganga Dam Project' Account only after receipt of Utilisation certificate. The Company paid (3 March 2015) ₹ 461.02 crore as advance to Konkan Irrigation Development Corporation towards land acquisition for Balaganga Dam project. The same was directly booked to 'Construction of Balganga Dam Project' Account eventhough Utilisation Certificate was not received till finalization of accounts. In the absence of Utilisation Certificate, it should have been booked under 'Other Advances'-Long Term loans and Advances.

This has resulted in understatement of Other Long Term Liabilities and Long Term Loans and Advances by ₹ 461.02 crore.

Navi Mumbai Project Overhead-Note 5(1)(A)
Payment to and Provision for Employees-₹ 127.91 crore
Administrative and Other Expenses - ₹ 77.16 crore

- 2 The above includes expenses relating to VS & MD's remuneration, travelling expenses of Directors, Directors fees conveyance expenses of Chairman, entertainment expenses of Directors Salary and perks of Company Secretary amounting to ₹ 54.16 lakh and Statutory Auditors fees and expenses of ₹ 11.47 lakh, as charges to the Navi Mumbai Project Account. Since these expenses are administrative in nature and some of them also of a statutory nature for the Company as a whole, these should have been charged to the Statement of Profit & Loss. Such as treatment was also required in terms of Government of Maharashtra Resolution No. CID 2084/1320/CR-161/84 UD-4 dtd 02 August 1985 whereby the Company has been directed to charge administrative expenses to the Agency Remuneration received from the Government of Maharashtra. The company has taken the agency remuneration to the Statement of Profit & Loss; however the corresponding expenses have not been debited there.

This has resulted in understatement of expenses for the year and corresponding understatement of liabilities by ₹ 65.63 lakh.

This matter was brought to the notice of management through Management Letter after supplementary audit for the year 2013-14. However, no action has been taken by the Company.

Administrative & Other Expenses-Navi Mumbai (Note 5(1)(A))
(27) Property Tax ₹ 0.03 crore

3. This does not include property tax of ₹ 1.42 core for the period Oct'14 to March'15 demanded by NMMC for Exhibition Centre, Vashi.

Non provision for property tax has resulted in understatement of Other Long Term Liabilities and Other Current Liabilities by ₹ 1.42 crore and expenditure.

Navi Mumbai Project Account Note 5(1) ₹ 4424.11 crore
Receipt during the year:
(13) Supervision Charges ₹ 1.93 crore.

4. The Company besides being an agent for the Government of Maharashtra (GOM) for development of Navi Mumbai township and other entrusted works in the State also undertakes works on deposit basis for Central/State Government Department/PSUs/Autonomous bodies, and acts as Project Management Consultant. The Company charges/recovers supervision charges on percentage basis on the cost of the project. During the year 2014-15, the Company received supervision charges on deposit work amounting to ₹ 1.93 crore and the supervision charges received upto March 2014 for same were ₹ 6.90 crore. The Company accounted for these supervision charges in the Navi Mumbai Project A/c. Since supervision charges received is the income of the Company and has no connection with the Navi Mumbai Project, the supervision charges should have been accounted as Income of the Company in the Statement of Profit & Loss.

This has resulted in understatement of Income for the year by ₹ 1.93 Crore and Overstatement of Liabilities (Balance in Navi Mumbai Project A/c as payable to GOM) to the extent of 8.83 crore.

This matter was brought to the notice of Management through Management Letter after supplementary audit for the year 2013-14. However, no action has been taken by the Company.

Other Long-term Liability
Naina Project Account (Note 5(8)) ₹ 41.31 crore

5. The above does not include ₹ 1.75 crore payable to the following parties towards investigation and preliminary work and consultancy charges provided during 2014-15 as given below:

Sr. No.	Nature of Expense	Period of expense	Name of Party	Amount (in ₹)	Voucher No. and date
1.	Investigation and preliminary work	4th RA bill upto	M/s. Genesys International	1,08,87,417	No. 17 dt. 06/06/15
2.	Consultancy fee	3rd RA bill upto 29/01/2015	M/s. LEA Associates	65,90,878	No. 22 dt. 05/06/15

This resulted in understatement of Other Long term Liabilities and Other Current Liabilities by ₹ 1.75 crore and understatement of expenditure.

3) Current Liabilities
(b) Other current liabilities (Note 7) ₹ 457.15 crore

- 6.(a) The Board of the Company approved (09.03.2015) increase in consultancy fees amounting to ₹ 6.48 crore to M/s. Louis Berger Group Inc., Prime Consultant of Navi Mumbai International Airport on account of costs incurred beyond contract period, additional work done by the consultant during environmental clearance and master planning prior to March 2015. Accordingly, ₹ 4.54 crore was paid (July 2015) to the consultants. The Company however, did not provide for the liability on account of increase in consultancy fees to prime consultant.

This resulted in understatement of Other current liabilities and overstatement of Other Long Term Liabilities by ₹ 6.48 crore.

- 6.(b) The Board of the Company approved (27.01.2016) payment of rent for premises at Nirmal building, Nariman Point for the period from Feb' 2004 to March'15 of ₹ 4.19 crore (including interest of ₹ 1.70 crore). Though the liability had crystallized before finalisation of the accounts, the Company did not provide for the liability resulting in understatement of Other Current Liabilities And Overstatement of Other Long Term Liabilities by ₹ 4.19 crore.
