From the Vice-Chancellor's Desk

Friends,

It gives me immense pleasure to present the 11th Annual Report of Solapur University, Solapur to you. It encompasses the graphical presentation of physical, academic, infrastructure and overall development of the university during the academic year 2014-15.

Now, the concept of 'Globalization' has well established in the universe and Indian is not an exception to it. It is the need of the hour to transform the students and youth from stereotype traditional educational system to employable youths according to the demands of globalization. Therefore, the university has constantly been making deliberate efforts and inculcating the social values amongst the students. Accordingly, the University has successfully implemented the 'Cumulative Grade Point Average' (CGPA) system in all existed UG and PG academic institutions of the University and in near future, planning to initiate the 'Choice Based Credit System' (CBCS) likewise.

Maharashtra University Act 1994 states that Teaching, Research, Extension and Service are the key objectives of the higher education. Thus, university is striving for these objectives and simultaneously creating healthy environment for research and encouraging to budding researchers. It's an honour to the university that DST-SERB has sanctioned research project of Rs.44 Lac to Dr.B.J. Lokhande and Rs.31 Lac to Dr.Ujma K.H. Bangi and Dr. L.P. Deshmukh from the Dept. of Physics. The UGC has sanctioned research project of Rs. 10 Lac to Dr. A.A. Ghanwat from the School of Chemical Sciences. Further, Dr. R.S. Hegadi has put another feather in the cap of university by receiving Hon. Vishweshwarayya Ph.D. Fellowship, New Delhi of worth Rs. 1 Crore which will be distributed in two phases. Dr. E.N. Ashok Kumar, School of Social Sciences, is also granted research project of Rs. 7 Lac by UNDP (United Nations Development Programme), New Delhi.

The Library plays a very crucial role in the overall development of the students and helps to grow the reading culture. Considering this fact the necessary facilities such as Reading Room, Books, Journals, Periodicals, e-journal and Reference Books are made available in the university library.

Solapur University stands at unique place not only in the state but across the nation also for the special feature of '*First University in India for One District*'. Recently, Hon. Sam Pitroda has recommended to the central government for '*One District, One University*'. If, a separate university is established for every district in India, it will decentralize the education and surely, Solapur University could be a role model for it.

Thank You,

Dr. N.N. Maldar

Vice-Chancellor, Solapur University, Solapur.
