General Remarks

01. Reconciliation of Various Fees

We had suggested in our previous audit report that there must be effective and proper system of reconciliation to ensure that income from various fees like Affiliation Fees, Sports Fees, Students Welfare Fees and Eligibility Fees etc. are recovered promptly. Reconciliation statement is yet not produced for our verification by concerned department.

02. Vehicle Maintenance Expenditure

In our earlier reports we had suggested Vehicle Allowance system, after its implementation we have observed reduction in overall expenditure of Vehicles.

03. Civil Works Verification

It has been observed that newly constructed buildings are in use but Final Bill of these buildings is yet to be submitted to accounts department and hence expenditure on account of this is yet to be booked and advances on this account are still not settled. Due to this flaw proper accounting is not possible.

04. Stock Verification

Departmental Dead Stock Register is not maintained properly except few departments.

05. Re-appropriation of Budgetary Provisions of Expenses

It has been observed that there has been frequently inter head adjustments between different heads of expenditure under budget. This type of re-appropriation has become a regular feature which is not good sign. It shows that expenditure is not under control. Re-appropriation function shall be used for unavoidable circumstances only.

06. Maintenance cost of Equipments.

It has been observed by us that some equipments are requiring high maintenance cost and revenue from such equipments is negligent e.g. NMR in chemical science department. It requires about 10 lakh maintenance cost but revenue is very negligent.

07. Examination Department

Expenditure of particular year shall be charged against revenue of that particular year only. It has been observed by us that various advances are not settled during the accounting period and therefore, Maharashtra Universities Account Code, 2012 is not properly followed by Examination Department.

08. Internal Audit Unit

As per Appendix IV A of Maharashtra Universities Account Code, 2012 there shall be separate Internal Audit Unit which normally consist of One Supervisory Officer and six assistants. This staff will be permanent staff looking after Internal Audit Function of the University. We suggest that it is high time now to provide with Internal Audit Unit so that responsibility will be placed on concerned employee.

09. General Observation

[a] It has been observed by us that due to Permanent Affiliation given to the colleges there is reduction in the source of income of university as there is no yearly affiliation fees. It has come to my knowledge that though permanent affiliation is given by the other universities to the colleges, they are charging yearly affiliation fees.

[b] It has also been observed that expenditure of Examination Department is increasing year by year but examination fees is not increasing.

[c] There is no increase in Tuition Fees, Admission Fees and other fees.

Due to aforementioned reasons surplus of university is drastically reduced.

10. Accounts Department

It has been observed that Department has maintained manual as well as computerised books of accounts. Special Application System must be acquired for complete computerized accounting.

We appreciate that the positive efforts have been taken to reconcile the Bank Balances by Accounts Department.

Financial Statements are prepared as per Maharashtra Universities Account Code Format.

Accounts are regrouped and reclassified wherever required. We have followed Concept of Materiality in our reporting.
