## INDEPENDENT AUDITOR'S REPORT

To the Members

Punyashlok Ahilyadevi Maharashtra Mendhi Va Sheli Vikas Mahamandal Ltd.

Pune

### Report on the Financial Statements

We have audited the accompanying financial statement of Punyashlok Ahilyadevi Maharashtra Mendhi Va Sheli Vikas Mahamandal Ltd. ("The Company") which comprises the Balance Sheet as at March 31, 2012, and the Statement of Profit and Loss for the year than ended, and a summary of significant accounting policies and other explanatory information. Mahamandal has not adopted new Schedule VI as required under the Companies Act for preparation of annual accounts.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("The Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Basis for Qualified Opinion

The Mahamandal has not followed Accounting Standards issued by Institute of Chartered Accountants of India, New Delhi are as follows :

1. Accounting Standard 1 - Disclosure of Accounting policies is not followed, since contingent liability regarding Income Tax penalty under section 44AB is not disclosed.
2. Accounting Standard 3 - Accounting to Cash Flow Statement has not been prepared by the Mahamandal.
3. Accounting Standard 4, Contingencies and events occurring after balance sheet date - the Mahamandal has not accounted contingencies for penalty due to tax audit reports not submitted in time, under section 44AB of the Income Tax Act 1956.
4. Accounting Standard 12, Accounting for Government Grants - The Mahamandal has not followed the accounting procedure of Government Grant as per the guidelines issued by Institute of Chartered Accountants of India, New Delhi, such as method of presentation in financial accounts. Nature and extent of government grants recognized in the financial statements, including grants of non-monetary assets or assets at concessional rates etc.
5. Accounting Standards 15, Employee Benefits - No provision has been made for Leave Encashment and Gratuity within the meaning of Accounting Standards AS-15 issued by the Council of the Institute of Chartered Accountants of India, and these expenses are accounted for by the Mahamandal on cash basis. In our opinion, this practice is not accordance with the relevant Accounting Standards and is not in line with accrual method of accounting followed by the Mahamandal. As the amount of such provision is not quantifiable due to the non-quantifiable of actuarial report.
6. Accounting Standard 21, Consolidated Financial Statements :- the Mahamandal is having 11 branches all over Maharashtra. Its Profit & Loss a/c as well as Balance Sheet is not prepared separately. the Mahamandal has incorporated all Branch expenses and income in the Head Office Accounts by way of Journal Entries in the month of March. Actually, branch wise final accounts should have been prepared and then, consolidated financial statement is required to be prepared.
7. Accounting Standard 29, Accounting for Contingent Liabilities and Assets has not been followed this point is explained in our point no. 1 & 3 above.
8. Accounting Standard 17 Accounting for Segment Reporting has not been followed. This requires trading and manufactured goods/segment wise to be reported separately depicting separate profit and loss on such activities.
9. The Mahamandal has not maintained proper records showing full particulars, including quantitative

- e details and situation of fixed assets. We have been informed that the compilation of fixed asset register is in process and would be completed by shortly. As informed to us, these fixed assets have been physically verified by the management at regular intervals and no material discrepancies have been noticed on such verification. However, no written record in respect of physical verification of Fixed Assets is maintained. During the year, the Mahamandal has not disposed off a substantial part of its fixed assets.*
- 10) *It is reported that the inventories have been physically verified by the Management at reasonable intervals during the year. In our opinion and on the basis of information and explanation given to us and records produced before us, discrepancies noticed on physical verification of stock referred to in para above, as compared to the book records have been adjusted on the basis of year and scrutiny carried out by Mahamandal and was not material.*
11. *According to information and explanations given to us, Central Government has not prescribed the maintenance of cost records under clause (d) of sub-section (1) of sub-section (1) of the Companies Act, 1956.*
12. a) *According to the information and explanation given to us, the Company is generally regular in depositing undisputed statutory dues with the appropriate authorities and there are no material undisputed amounts payable in respect of Income Tax, Wealth Tax, Sales Tax, Service Tax, Custom duty, Excise Duty and cess or any other statutory dues which were outstanding as at 31st March 2012 for the period of more than six month from the due they become payable except Profession Tax.*  
b) *According to the information and explanations given to us, there were no dues of Sales Tax, Income Tax, Custom Duty, Wealth Tax, Excise Duty and cess which had not been deposited by the Company on account of dispute.*
13. *The accumulated losses of the Mahamandal as on 31st March 2012 are less than ten percent of its net worth.*
14. *The Mahamandal has not made any provision in respect of any bad and doubtful Seed Capital Loans (Under the head Loan and Advances) and other Advances under the Capital Assets, Loan and Advances (Refer schedule 6B of Balance Sheet). The amount of such bad / doubtful debts and loans is not ascertained by the Mahamandal. Consequently, we are unable to opine on the possible impact of such non-provision on profit for the year, Seed Capital Loans, Other Advances and Balance of Profit and Loss Account in the Balance Sheet. The Mahamandal has not made a provision towards doubtful debts. On scrutiny of list of sundry debtors, in our opinion, this provision is required to be made but for want of information, it is unascertainable. On scrutiny of sundry debtors by us it was found that most of the debtors shown as debts exceeding 6 months period in the balance sheet are not recoverable & maximum are outstanding for more than 5 years, which according to us needs to be written off, with the approval of the same by the Mahamandal. The profit of the Mahamandal has been overstated and provision for bad and doubtful debts has been understated. Debtors, Creditors, Loans and Advances are subject to confirmation and reconciliation. No third party confirmations are obtained by the Mahamandal as on 31st March 2012 in respect of any of the account receivable, account payables and any Loans and Advances. Hence, 100% amount under these item is unconfirmed as on 31st March 2012. It is informed to us that there was no system of obtaining third party confirmation.*
15. *During the current year, Interest on seed capital amounting to Rs. Nil/- has been transferred to the account by the Mahamandal. Opening balance shows Rs. 161980.13 Thus the total amount payable to government on this account is being reflected as Rs. 161980.13, shown as current liability.*
16. *Head office of Mahamandal at Pune is situated in the premises of the Department of Animal Husbandry, Government of Maharashtra. There is no agreement on record for reimbursement of expenses and payment of rent to the Department of Animal Husbandry.*

17. *We are informed that the land for which Property Tax is paid at Padegaon Farm is in the name of Department of Animal Husbandry. However, Agreement between Mahamandal and Department Of Animal Husbandry towards sharing of expenses was not on records. Provision for expenses is made on the basis of demand raised by Department of Animal Husbandry.*
18. *In accordance with schedule VI, quantitative particulars of goods manufactured and goods traded have to be disclosed separately. However, Mahamandal has presented a consolidated statement of the same. This does not have any impact on profit for the year.*
19. *Insurance claim in respect of Livestock are accounted for on cash basis which, in our opinion, is not in line with the accrual method of accounting. The amount of claims receivable has not been worked out by Mahamandal Consequently, we are unable to opine on the possible positive or negative impact there of on Loss for the year, Balance of Profit and Loss Account carried forward and on Current Assets.*
20. *During the year, the Mahamandal has incurred profit. However depreciation as per income tax act is not worked out, it is observed that the Mahamandal has been incurring losses continually up to 31.03.2004. However as the account and tax audit of the Mahamandal are in arrears, Income tax return have not been filed before the due date as per Income tax Act, 1961. Hence, the benefit of carry forward and set off losses has been lost by Mahamandal. Thus the Mahamandal has lost an amount of Rs. 25.25 lacs up to 2006-2007 and Rs. 8.21 lakhs during audit 2010-11 year which could have been avoided had the returns had been filed on timely. Tax audit required by IT Act is yet to be conducted. Here, we would like to point out that the TDS shown on the Current Asset side of the Balance Sheet from the year 2006-07 to 2010-11 totaling to Rs. 21,12,340/- are required to be written off. The Mahamandal has not filed income tax returns in time. The time for filing return is lapsed. Now, technically the returns cannot be filed. The benefit of carry forward of loss is lost due to same reason. Therefor, in our opinion this amount of Rs. 21,12,340/- which would have been received as refund from the Income Tax Department, cannot be recovered now. It is a total loss to the Mahamandal.*
21. *Many item under Current Asset, Loans and Advances and current Current Liabilities and Provision are outstanding since long and needs review for write off/write back. Some such items have been reported in detail by the internal auditors also in their report. This will affect the net profit figure to a great extent.*
22. *ERP Grant Payable : Rs. 1.72 lacs - This was received from Govt. of Maharashtra for earthquake relief at Killari. It is noted from report of internal auditor that when the amount was spent. It has been debited to expenditure account and not to Grand account. The whole amount has thus been spent, the credit balance now lying in this account may be transferred to P & L account.*
23. *Share Application money of Rs. 10,00,000 was shown under Reserves & Surplus in the year FY 10-11. However actually share Certificate no 473491 to 4834904 10000 shares were infact issued on 4-6-10 in the name of the governor of Maharashtra Balance Sheet presentation to that extend was mistaken. These are shown under Share Capital in the current year. Members Register could not be verified as the same is not updated.*
24. *Interest on Fixed Deposit as per Bank Interest certificate is Rs. 43,68,983. However as per books Interest on FD (HO) is taken as Rs. 43,27,369 thus Profit is understated by Rs. 41,614.*
25. *We found that Average Balance of Head Office is more than 2 crores (Closing balance as on 31.03.2012 is 5 Cr.) Hence we suggest Mahamandal to request for sweep facility from Bank. So that interest on current account balance is earned, taking current figures Interest of 15 Lakhs may be earned which currently is loss to the Mahamandal due to ideal funds lying in the bank.*
26. *Shade for Beneficiaries Rs. 238400 to be written off and scrap value to be accounted. Board Resolution to be taken on record before writing of the same.*
27. *Prepaid Expenses are not provided for expenses such as vehicle, livestock, and insurance etc. in the current year.*
28. *Insurance payable Ambejogai Rs. 28747  
PCS Industries Ltd. Rs. 10575  
Project Director PWD Rs. 2000*

- Following amount appearing under above heads are not more payable.  
Necessary Entries should be passed after taking on record board resolution.*
29. *Fixed Deposits Rs. 97039100 are not Earmarked for Grants received. Hence purpose use cannot be certified.*
  30. *Interest on RKVY Rs. 1395267=00 is credited to scheme account appearing under current liabilities. This represent interest on RKVY scheme payable back to Government. However Interest calculation are done on estimated basis which cannot be verified. Since FDR are not earmarked.*
  31. *Provision for outstanding Expenses Rs. 4865537. Majorly includes amount payable to Sundry Creditors amounting to Rs. 3396900 for purchase of livestock and Purchase of Feed Rs. 940949.*
  32. *As informed to us Closing Stock including Livestock is physically verified by Mahamandal annually however no record physical verification is kept at head office. It is suggested that record of such verifications should be kept at head office.*
  33. *TDS of Rs. 37121 pertaining to previous year is credited to interest in the current year, profit to that extent is inflated. Also such TDS is not reflected Form 26 AS.*
  34. *Interest on Fixed Deposit related to RKVY etc schemes is credited and shown under Other Liabilities as payable back to Government however no time frame is prescribed. Clarification in this respect should be taken from concern department since such payable if paid will have a substantial effect on cash flow of the Mahamandal and finally on the profitability of the concern.*
  35. *Grants & Advances received form Governments appearing under liabilities includes grants payable back to government some of these includes unutilised or balance grant. Clarification in this respect should be taken from concern department if such is not payable it should be written back to profit and loss account.*
  36. *Provision made for current income tax & deferred income tax to profit & loss account as on 31.03.2012 are done on adhoc basis only. Basis of calculation of the same was not provided to us for verification & so we cannot comment on the accuracy of the same.*
  37. *Accounting Policies and notes to accounts disclosed method of accounting in respect of grants- according to its policy grants received as implementing agency should be separately disclosed as net expenses and matching revenue in profit and Loss account however mahamandal is actually credited grant to liability account whereas expenses i.e. utilization is debited to such grant account which is wrong as per adopted accounting policies and principles.*

**QUALIFIED OPINION**

*In our Opinion and to the best of our information and according to the explanations give to us, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements give the information required by the Act in the manner so required and give true and fair view in conformity with the accounting principles generally accepted in India :*

- a) *In the case of Balance Sheet of the state of affairs of the company as at March 31, 2012.*
- b) *In the case of the Profit and Loss Account, of the Profit/Loss for the year ended on that date.*

**NOTE ON ACCOUNTING SYSTEM ADOPTED BY THE MAHAMANDAL  
BOOKS OF ACCOUNTS MAINTAINED BY FARMS :**

1. Each farm and HO maintains separate Cash Book and Ledger and Bank account for financial transactions regarding Development i.e. Non-Plan Activities and Commercial i.e. Plan Activities.
2. As is experienced, if transaction of one activity is entered into books of accounts of other activity, the purpose of maintained two sets of books is vitiated. There are instances of transfer of funds from Bank account of one activity to that of another.
3. In annual accounts figures of all the activities are merged and exercise of finding out Profit and Loss of activities separately is not undertaken. Thus object of keeping two accounts separately is not fully achieved.
4. We are therefore of the considered opinion that advantages and purpose of keeping two separate books of accounts have to be weighed against practical difficulties in maintaining two books of accounts and their consolidation at Head Office level and way out should be found out for simpler system which will achieve purpose mentioned in 1 above. This also simplify and hence strengthen audit process at Head Office.

**COMPUTERISES ACCOUNTS AT HEAD OFFICE**

**SOFTWARE**

1. Since 1995, HO accounts for Development and Commercial are maintained on computer by using Tally 4.5 Software and from 2008-09 the same software is upgraded in Tally ERP
2. The software does not provide for Maker/Checker facility which requires one person entering Data and his Superior authority Authorising / Passing the transactions. This is very much necessary for entering and storing the Accounting data in a Secured way.
3. At Present, data on computer is open to changes at any time. Mahamandal has to explore as to how data should be entered in an authorized manner and stored on computer in a secured way.
4. It is observed that separate sets of books are created in Tally system for each financial year. This procedure is adopted by MM reportedly for operational convenience. This necessitates manual carrying forward of Closing Balances as per Balance Sheet of one year as Opening Balances of in the set of books for the next year. This is prone to human errors and can be avoided if system of opening separate set of books for each year is dispensed with.
