STATEMENT OF OBJECTS AND REASONS

The Maharashtra Agricultural Produce Marketing (Development and Regulation) Act, 1963 (Mah. XX of 1964) is enacted to develop and regulate the marketing of agricultural and certain other produce in market areas and markets including private markets and farmer consumer markets established therefor in the State, to confer powers upon Market Committees and to provide for purposes connected with the matters aforesaid.

2. The State Government is consistently trying to get better prices for agricultural produce to the farmers. To bring consistency and transparency in the prevailing auction system and to get fair prices for agricultural products, the Central Government has started e-National Agricultural Market Scheme (e-NAM) based on the concept of one market at national level for sale and purchase agricultural produce.

To minimise hurdles in trading of agricultural produce and for getting better prices to farmers for their agricultural produce in the market committees of the State, e-National Agricultural Market Scheme is implemented. However, in the absence of provision of Single Unified Trading Licence in the said Act, for the whole State, the e-National Agricultural Market Scheme could not be implemented in inter market and inter State trade under e-NAM scheme. In order to effectively implement the e-NAM scheme in the State, the Government considered it expedient to amend the said Act to provide for Single Unified Licence for trade in agriculture produce throughout the State and inter State trade also, if so recognised by the other State.

3. Considering need of special requirement of infrastructure and better facilitation of sale of agricultural produce in any existing market, which is handling not less than eighty thousand metric tons agriculture produce and in which agricultural produce comes from not less than two other States, it was considered necessary to establish it as Market of National Importance or to establish any such market as Market of National Importance.

The provision is also made for establishment of Market Committee of Market of National Importance and Executive Committee for carrying out day to day duties of such Market Committee.

4. The provision is made to provide for resolution of disputes regarding quality or weight or payment of any agricultural produce between and amongst the Unified Single Trader Licensees, farmer, seller and Market Committee.

5. These amendments will ensure that the farmers in the State will get maximum benefit from the competitive prices of agricultural produce.

6. As both Houses of the State Legislature were not in session and the Governor of Maharashtra was satisfied that circumstances existed which rendered it necessary for him to take immediate action to amend the Maharashtra Agricultural Produce Marketing (Development and Regulation) Act, 1963 for the purposes aforesaid, the Maharashtra Agricultural Produce Marketing (Development and Regulation) (Amendment) Ordinance, 2025, (Mah. Ord. IX of 2025), was promulgated by the Governor of Maharashtra on the 13th October 2025.

7. The Bill is intended to replace the said Ordinance by an Act of the State Legislature.

Mumbai,

Dated the 19th November, 2025.

JAYKUMAR RAWAL,

Minister for Marketing.
