## STATEMENT OF OBJECTS AND REASONS

The Maharashtra Public Universities Act, 2016 (Mah.VI of 2017) is enacted to provide for academic autonomy and excellence, adequate representation through democratic process, transformation, strengthening and regulating higher education and for matters connected therewith or incidental thereto.

**2.** For effective academic administration, optimum utilization of human resources and to maintain uniformity in all Universities, it is considered necessary to make new provision for 'School of Studies' under each Faculty of university by inserting a new section 35A in the said Act.

**3.** The existing composition of the Grievances Committee includes the University of College Officials such as Registrar, Dean, Law Officer, one teacher belonging to Scheduled Castes or Scheduled Tribes (*Vimukta Jatis*) or Nomadic Tribes or Other Backward Classes and one non-teaching employee of the college nominated by the Senate, who are the members of the Grievances Committee. The grievances of employees of universities as well as of colleges or institutions are filed before the Grievances Committee. Due to involvement of university or college officials in redressal of grievances, it becomes difficult to ensure impartial redressal. Therefore, it is proposed to replace the Grievances Committee with an Ombudsperson to ensure impartial, speedy and effective disposal of grievances of employees of the universities, affiliated and autonomous colleges and recognize institutions by substituting section 79 in the said Act.

**4.** Also, to facilitate association of Government institutions with universities, to enable the State Government to inspect universities, university departments and affiliated institutions through an officer duly authorised by the State Government, to rationalise provisions relating to university authorities, to provide for appeals against the decisions of the Ombudsperson and to make certain consequential amendments, the Government considers it expedient to amend sections 6, 8, 65, 70, 81, 121 and 137 the said Act, suitably.

**5.** The Bill seeks to achieve the above objectives.
